

We are the *North Central Mustang Club*! We are dedicated to the preservation of the *Ford Mustang*-America's first and premier "pony car"-as well as all other classic and performance oriented *Ford Motor Company* vehicles.

The **North Central Mustang Club (NCMC)** has been in existence since 1987, and we have been a charter member of the **Mustang Club of America (MCA)** since March 14, 1989. At that time we were formally granted a charter by the **MCA** for a territory that encompasses the North Central region of the State of Pennsylvania.

NCMC meetings are held on the first Tuesday of each month at Murray Motors Ford in Muncy PA at 7:00 PM. Meetings are held from February through November each year. We also have several events during the year to get together, socialize and have fun. Newsletters are mailed every few months, and our event information is usually available on the website, but the best way to get the latest information is to attend the meetings.

The **NCMC** is an organization of members from all walks of life, who have bonded together because of their love of Fords and Mustangs. We welcome students, professionals, retirees, laborers, car lovers - everyone is welcome. Ford, Mercury, Lincoln, early models, late models, specialty cars, originals, restorations, restomods, street machines - as long as it's Ford-powered, it's eligible. In fact, you don't have to own a car, just possess the love of cars and trucks like the rest of us.

NCMC activities through the years have revolved around our annual car show, car displays, trips to the local drag strip, parades and picnics. We also travel together to many car shows and related activities, including the 30th, 35th and 40th Anniversary of the Mustang, the assembly plant in Dearborn Michigan, MCA Nationals and Carlisle All-Ford Nationals. During the winter months we hold our annual Holiday party, which is open to all members and their guests.

So if you love Mustangs, Shelbys, T-Birds, Cougars, Cobras, Fairlanes, or any Ford-powered iron, the *North Central Mustang Club* is for you! Just fill out the attached membership application and send it in.
